KING GEORGE SLAIN; PRINCE CONSTANTINE ELEVATED TO THRONE

THE SLAYER IS COUNTRYMAN OF KING

Ministers Declare Him Insane;
Prince Nicholas Protected
Him From Lynching

TURKISH PRESS CHARGES
BULGARIA WITH CRIME

Massacre Was Feared by Turks
in Salonika—Shops and
Houses Barricaded

ATHENS, March 19.—The elevation of Crown Prince Constantine to the Greek throne, following the assassination of King George yesterday, was formally declared today by a council of Greek ministers. The ministers are preparing a proclamation ascribing King George's assassination to a madman's act. Dowager Queen Olga started for Salonika on a Greek warship at midnight.

All business has been discontinued here and all public buildings are draped in mourning. The government has announced that it will investigate whether Schinas is insane or the member of an anarchistic gang, following the report that anarchists at Volo hatched the plot. It is rumored the death of King George is part of a conspiracy to kill all the Balkan rulers.

PRINCE RESTRAINS MOB FROM LYNCHING ASSASSIN SALONIKA, March 19.—Prince Nicholas, the third son of the late King George, personally held in check a mob that attempted to storm the jail where Aleko Schinas, the king's assassin, is held. He ordered that Schinas be removed to secret quarters without the knowledge of the soldiers who are threatening to lynch him.

King Constantine arrived today from Janina and was received with homage. His voice choked with emotion as he embraced Prince Nicholas, Lieutenant Colonel Francodis, who was with the king when he was shot, recounted the particulars of the affair to Constantine.

King George's assassination occurred here yesterday afternoon, when he was shot in the back by Aleko Schinas, a Greek, the king dying half an hour later at a hospital. His son, Prince Nicholas, and his staff were at his bedside.

Schinas, who says he is a Socialist, declared he assassinated King George because of his refusal to give him money for which he had asked. The fatal shot was fired, as the king was walking on the street with his aides. Queen Olga, who was at Prevesa, arrived at Athens in the evening, having heard of her husband's assassination while aboard the steamer.

After the assassination of King George, reports were circulated that Schinas was intoxicated when he fired the shot. For some time before committing the crime he sat at a drinking cafe with two companions. When the shot was heard one of these companions cried out: "Murder!"

The Turkish residents of the city were in terror, fearing a massacre. Hundreds of them barricaded their shops and homes.

Martial law prevails here. It is believed the order will be maintained until King George's body has been removed to Athens.

When arrested Schinas, it is reported, cried "I am a Socialist. I don't care what the consequences may be. We Socialists don't care for kings."

BULGARIA CHARGED WITH KILLING BY TURKISH PRESS
CONSTANTINOPLE, March 19.—The Tanin, a Turkish newspaper, charges that the Bulgarians are responsible for the assassination of King George, and referred to alleged friction between the Bulgarians and Greek officials at Salonika.

England to Mourn
LONDON, March 19.—The king of England has ordered a month of mourning for King George of Greece.

Wilson Cables Condolences
WASHINGTON, March 19.—President Wilson has cabled condolences to Queen Olga on the death of King George.

INSANITY EXAMINATION
Charles L. Sage was taken before Judge West at 3 o'clock this afternoon on the charge of insanity, and his examination set for 9 o'clock tomorrow morning.

MISSING WOMAN LIVES NEAR HIGHLAND

Her Disappearance Last November Is Now Believed to Have Been Voluntary

TRUSTEE PETITION WAS CONTINUED

Attorney Learns Over Telephone That Miss Whitney Will Return Here

Miss Helen M. Whitney, who disappeared on Nov. 4, has been located at East Highland, San Bernardino county. Just why she desired to cut off communication with her relatives here is not known. It is believed the woman's disappearance was entirely voluntary.

Miss Whitney occupied a room in a dwelling house on East Fourth street and was employed at a local laundry. She was gone when she disappeared three or four days after she disappeared. Her father, George Whitney, went to her room and learned that she was missing. Sheriff Rudbeck sent out descriptions of the woman without result.

The fact that some property in which she was interested had been sold under contract to Roy Runkles led to the filing of a petition for trusteeship in the superior court. Attorney W. H. Thomas appearing for the petitioner, George Whitney. Yesterday the hearing on the petition for guardianship came up in the superior court for hearing, but was continued until Friday at Attorney Thomas' request, the attorney having received word that Miss Whitney had been located in East Highland, where she has been employed by a Spanish family named Ybarra.

A letter addressed to her from here was returned unopened. The long distance telephone was used with the result that information was received that Miss Whitney had concluded to return to Santa Ana. The woman is about 45 years old.

TURKS DEFEAT BULGARS IN BATTLE

Turkish Victory Reported With Appalling Casualties For Bulgarians

VIENNA, March 19.—News of a great victory over the Bulgarians at Tchatalja has been received in dispatches from Constantinople. The battle raged for three days and the Turks attacking, it is reported, drove the Bulgars from the trenches, then stormed the Heights recently taken by the allies at the point of the bayonet. The losses are said to be very heavy but no details are given. The Bulgars are reported to have sustained appalling casualties. Turkish aeroplanes aided in the victory.

FRENCH CABINET SERVES ONE MONTH

PARIS, March 19.—Following the failure of Premier Aristide Briand to put through his proposed election reforms, the entire cabinet resigned last yesterday.

M. Briand's cabinet probably holds the palm for shortness of service, even among the notoriously short-lived French cabinets. President Poincare was inaugurated on February 18 and his premier was appointed at the same time. With its resignation yesterday the cabinet had served exactly one month.

The vote on the proposed election in the chamber of deputies resulted 161 to 128 against the measures.

HALF A MILLION IS SWINDLERS' BOOTY

Antone Martinez and His Six Children Arrested on Eve of Sailing

LOOT HIDDEN IN HATS, POCKETS AND IN GRIPS

Sought to Throw Away \$300,000 In Hats—20 Banks in U. S. and Europe Swindled

NEW ORLEANS, March 19.—With half a million dollars in bills and checks in grips, pockets, and concealed in their hats, Antone Martinez, his four sons and two daughters, alleged swindlers, were arrested here today. Money protruding from their pockets caused their arrest. The police say they have engineered swindling deals in various sections of the country.

Martinez carried \$40,000 in currency. Grace Martinez carried \$18,000, and Louise Martinez \$16,000 in their stockings. The men also had an immense sum in negotiable securities.

En route to the jail the father seized a revolver from his son's pocket and attempted suicide, but the officers prevented the deed.

Under the name of Muscia, Martinez is alleged to have operated the United States Hair Company in New York. His sons arrested were Philip, Frank, George and Albert, and the daughters, Louise and Grace.

The party arrived today from Mobile. They were sleeping in their berths in a steamer for Honduras when they were arrested. The father fought off the officers while the daughters attempted to throw their hats, containing money, into the river. Detectives restrained them, later finding \$300,000 in bills in the linings.

The police claim one of the prisoners confessed to swindling twenty banks in New York, Atlanta, London and Berlin.

GOV. HATFIELD LEAVES FOR SCENE OF STRIKE

CHARLESTON, W. Va., March 19.—Governor Hatfield today started for the military strike zone in the Paint-Creek coal district, where he says he will remain personally in charge until the strike is either settled or peace restored.

MANY VAGRANTS IN ENGLAND
LONDON, March 19.—Sidney Webb, in a lecture at the London School of Economics, said the number of vagrants on the road in England in winter was estimated at 30,000 and in summer at 80,000.

SEND ORE BY PARCEL POST
NEW YORK, March 19.—One of the small Nevada gold mines adopted a new method of ore transportation by shipping it by mail last week. Twenty sacks weighing a total of 210 pounds were sent to a testing company in Sacramento.

MRS. CLARKSON TO EXPOSE HUSBAND

Says Preacher's Love Affairs Would Shock Chicago If Revealed

CHICAGO, March 19.—The claim that she eloped with Owen Conn, the San Francisco \$100,000 burglar, because her husband flaunted his love for certain spiritual affinities, was made by Mabel Clarkson, the wife of Rev. Nestor K. Clarkson.

Aroused by the disappearance of her five children following the publication of her alleged love with Conn, Mrs. Clarkson has threatened to reveal the alleged relations of her husband with other women, unless he produces the children. She says the revelations would shock all Chicago. She denies that she is trying to return to her husband.

WILSON AND HIS CONGRESS AGREE ON TARIFF PLANS

WASHINGTON, March 19.—Chairman Underwood of the House ways and means committee today announced that President Wilson, with the House and Senate Democrats, had agreed on plans for tariff revision.

MISSING MAN READS THE REGISTER AND LEARNS HIS FRIENDS ARE SEEKING HIM

"I saw by the Santa Ana Register that my friends were worried over my supposed disappearance and so I thought I had better come right to you and report," said John Munch to Sheriff Rudbeck at the latter's house on North Birch street, as the old man did not care to wait until this morning to call at the sheriff's office in the court house.

Mr. Munch is 72 years of age, and he had arranged to start from Anaheim last Saturday night to return to his former home at Okes, North Dakota. He had been visiting in Orange county for about six weeks, making his headquarters at Anaheim, where he had many friends. As he did not depart on the date announced, and as his trunk and suit case had been left at the Santa Fe depot, and the further fact that he had not been seen since Thursday last, the sheriff was appealed to.

Notice was also sent to the Register yesterday and publicity was given to Munch's disappearance in the issue last evening.

"I bought a copy of the Register," said Munch, "and I was thunderstruck to see that I had occasioned any worry among my friends here. The truth is that I simply changed my mind about going to Dakota, and decided that I preferred to go away on a short hunting trip. I don't care much about going east, anyhow. This country here makes a hit with me. I'm going back to Anaheim and see my friends and explain things, although I must say that Santa Ana has also made a hit with me. This is a great country, isn't it? And I must say that Register is a great newspaper, too, for if it hadn't been for the Register I might never have known how much unnecessary uneasiness I had been giving my friends."

MINIMUM WAGE REFORM BILLS OF \$50 ASKED PER MONTH CONSIDERED TO-DAY

Wireless Operators Will Strike If Demands Are Not Met by Marconi Company

SAN FRANCISCO, March 19.—A committee representing wireless operators met today with the officials of the Marconi company to discuss the operators' grievances, the operators demanding a minimum wage of \$50 monthly. They threaten a strike unless an agreement to that effect is forthcoming.

R. B. Woolverton, United States wireless inspector for the district of California, declares that no matter what adjustment may be made by the Marconi Wireless Telegraph company with the operators, who have a grievance and may quit work, the federal wireless law which requires two operators to be aboard passenger-carrying ships will be enforced to the letter.

Woolverton said that under the law he had no power to recommend to the collector to refuse clearance papers to any vessel which might sail in violation of the federal wireless law, but could recommend to the department of commerce and labor that a fine be imposed against the captain, which would stand as a lien against the vessel.

LIFE SENTENCE FOR DOLLAR THEFT

Man Insane From Lot; Was Today Pardoned; Judge Said Law Forced Sentence

COLUMBUS, O., March 19.—Stricken by "the injustice of the sentence," Governor Cox today pardoned William Welch, aged 35, who was recently sentenced for life to the penitentiary for stealing a dollar's worth of bacon when he was hungry. A few months' imprisonment has caused Welch to brood until it is believed he is hopelessly insane.

The judge at Greenville, Ohio, sentencing Welch, declared that the law provided for life imprisonment for persons breaking into occupied dwellings, and that he had no alternative but to impose the sentence.

THREE PERISH IN FIRE AS THEY PRAY

Fire of Probable Blackhand Origin; Woman and 2 Children Die in Flames

CHICAGO, March 19.—While praying for delivery from fire, Verle Pustalla, an Italian woman, and her children, Jane, aged 5 years, and May, aged 3, were burned to death at their home. The corpses were found on their knees, hands clasped in an attitude of prayer.

Unconscious of the fact that his wife and children were trapped by the flames, Frank Pustalla, the woman's husband, succeeded in saving his brother-in-law's children in another part of the house. The fire is believed to be of Blackhand origin.

U.S. CRUISERS ORDERED SOUTH

Maryland and California With Heavy Armament and Troops May Be Mexico-Bound

SAIL WITHIN 24 HOURS WITH 4 MONTHS' SUPPLY

Gen. Ojeda Surrounded by 2000 Men; Border Battle Is Now Believed Near

SAN FRANCISCO, March 19.—Each carrying 500 men, and extra supply of small arms, and machine guns, the cruisers California and Maryland will sail south within twenty-four hours. The officers of the Maryland, say that San Diego is their destination.

The unusual armament is believed here to indicate that the Mexican coast is the real objective point of the cruisers.

The supply ship Glacier is also scheduled to sail south with sufficient munitions and supplies for four months.

GEN. OJEDA HEMMED IN BY NEARLY 2000 STATE TROOPS

NACAO, Mexico, March 19.—Surrounded by nearly two thousand state troops who are rapidly closing in against Nacao, intent on preventing a recurrence of the federal victory of last Saturday, Colonel Juan Cabral is taking time and pains to hem in the small federal garrison here, leaving the only exit over the international border to the north, where troops of the Ninth and Fifth United States cavalry await the expected border battle.

"I am hemmed in and must cut my way out," admitted General Ojeda. "Despite my former victory, I feel humiliated and determined to fight to the last ditch. I have 400 trained soldiers behind me and am prepared to give trouble that number a warm reception."

It practically is assured that the next battle will take place at Nacao and preparations are under way to protect non-combatants on the Arizona side.

Three bridges were burned during the night on the Southern Pacific branch below Nacao, supposedly to prevent state troops from moving by rail.

FRIEDMANN GAINS GROUND IN EAST

Patients Benefit—Doctors Are Pleased—Philadelphia Invites Him There

NEW YORK, March 19.—Dr. Friedmann treated twenty cases of tuberculosis of the bone at Sinai hospital today. He treats physical deformity cases tomorrow. Friedmann is immensely pleased with the progress of the cases he has already treated. He says sixteen of the eighteen patients he first treated show marked improvement.

Physicians present were enthusiastic over the apparent benefits. The Philadelphia board of health has invited Dr. Friedmann there, offering him a special license to practice.

TRAIN SUICIDE MAY BE WHITTIER MAN

Step-daughter Identifies His Clothing as That of Jos. H. Jordan of Whittier

CHICAGO, March 19.—After refusing to view the corpse, Lillian Jordak, aged 14 years, of Whittier, Cal., identified the clothing of a man who committed suicide on a train near Chicago last night as that of her step-father, Joseph E. Jordan, a young Whittier rancher.

Jordan Not Known at Whittier
WHITTIER, March 19.—Joseph H. Jordak, reported to have committed suicide on a train near Chicago, is not known here, nor is Lillian Jordak.

BETTER SERVICE ON THE P.E. MAYBE

Request of the Chamber of
Commerce Is Promised
Early Attention

Better service on the local lines of the Pacific Electric Railway Company may be hoped for, according to Traffic manager D. W. Pontius, as the result of the activity of the directors of the Santa Ana Chamber of Commerce. Secretary Metzgar this morning received the following letter from Pontius that is self-explanatory:

"I beg to acknowledge receipt of your letter of the 12th, requesting that our schedule in Santa Ana be arranged to connect with the Southern Pacific and Santa Fe trains.

You no doubt understand that it is almost impossible to arrange a street railway schedule to connect with steam line trains for the reason that steam line trains, as a usual thing, are not on time, and if we were to hold up your city street cars as well as cars destined to Los Angeles, the street cars as well as interurban railway schedule would be irregular and

STAFF CAPTAIN CLIFFORD

SALVATION ARMY WILL WELCOME NEW OFFICER

The local Salvation Army and public will welcome Adj. Lewis as the new commanding officer of the local corps tonight at the hall, 414 Sycamore street.

Staff Capt. Clifford, the divisional officer for the Southern California division, will publicly install Adj. Lewis and deliver an address. Envoy Kelly, the converted Australian, will accompany Mr. Clifford. He will sing his own original songs and give a sketch of his life. Adj. Lewis is taking the place of Capt. and Mrs. Oliver, who are compelled to take a furlough on account of the captain's health. All are invited to attend the service tonight.

It would be inconveniencing a great number of people compared to a very few that arrive and leave on steam line trains. However, I am referring your letter to Mr. H. L. Metcalf, our assistant general manager, who no doubt will have the same looked into and help out the situation if possible to do so.

ELDERLY MEN AND WOMEN MUST NOT USE CALOMEL, SALTS OR VIOLENT CATHARTICS

Harmless, delicious "Syrup of Figs" is best to cleanse your stomach, liver and 30 feet of bowels of sour bile, decaying food, gases and clogged-up waste

You old people, Syrup of Figs is particularly for you. You who don't exercise as much as you need to; who like the easy chair. You, whose steps are slow and whose muscles are less elastic. You must realize that your liver and ten yards of bowels have also become less active.

Don't regard Syrup of Figs as physic. It stimulates the liver and bowels just as exercise would do if you took enough of it. It is not harsh like salts or cathartics. The help which Syrup of Figs gives to a torpid liver and weak, sluggish bowels is harmless, natural and gentle.

When eyes grow dim, help them. Do the same with your liver and bowels when age makes them less active. There is nothing more important. Costive, clogged-up bowels mean that decaying, fermenting food is clogged there and the pores or ducts in these

thirty feet of bowels suck this decaying waste and poisons into the blood. You will never get feeling right until this is corrected—but do it gently. Don't have a bowel wash-day; don't use a bowel irritant. For your sake, please use only gentle, effective Syrup of Figs. Then you are not drugging yourself, for Syrup of Figs is composed of only luscious figs, senna and aromatics which can not injure.

A teaspoonful tonight will gently, but thoroughly, move on and out of your system by morning all the sour bile, poisonous fermenting food and clogged-up waste matter without gripe, nausea or weakness. But get the genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." Refuse with contempt, any other Fig Syrup unless it bears the name—prepared by the California Fig Syrup Company. Read the label.—Advertisement.

GRAY FADED HAIR, OR BEAUTIFUL, DARK ATTRACTIVE—CHOOSE, MADAM!

Says Sage Tea Mixed With
Sulphur Restores Natural
Color and Lustre

Gray, faded hair turned beautifully dark and lustrous almost over night. Is a reality, if you'll take the trouble to mix sage tea and sulphur, but what's the use, you get a large bottle of the ready-to-use tonic, called "Wyeth's Sage and Sulphur Hair Remedy" at drug stores here for about 50 cents. Millions of bottles of "Wyeth's" are sold annually, says a well-known druggist, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

You just dampen a sponge or soft brush with Wyeth's Sage and Sulphur

and draw it through your hair, taking one small strand at a time. Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after just one application the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.

This is the age of youth, gray-haired, unattractive folks aren't wanted around, so get busy with the Sage and Sulphur tonight and you'll be amazed at your youthful appearance and the real beauty and healthy condition of your hair within a few days. Inquiry at drug stores here shows that they all sell lots of "Wyeth's Sage and Sulphur" and the folks using it are enthusiastic. Rowley Drug Co.—Advertisement.

COUNTY C.E. MEET DATE HAS BEEN SET

Convention Will Assemble In
Anaheim Early In Month
of October

The next county Christian Endeavor convention will be held in the Anaheim Presbyterian church, Friday, Saturday and Sunday, October 3, 4 and 5. The date was officially set at a meeting of the executive committee of the county Union held at Anaheim last Sunday. The Anaheim Presbyterian society at the convention held in Santa Ana last October, extended an invitation to the Union to meet in that city for the next convention and the invitation was accepted.

Various reports of county officers were read and showed the county Union to be engaged in active work and efficiency increasing.

The committee on banners appointed at the last executive committee meeting submitted a report. The banner suggested to be awarded societies and for the large banner, 6x8 feet for use at conventions for display purposes and which is first to be used at the international convention to be held in Los Angeles July 9-14, was of a large orange, with green leaves as the central figure and with a background of dark blue, the orange and leaves to be in natural colors and the words "Orange County C. E., California," to be on the orange in green. This design was accepted and a committee consisting of Miss Alice Grimshaw, chairman; E. S. Goble, Anaheim, and Miss Pansy B. Remington of Fullerton was appointed to make arrangements for making the banners.

An invitation from the Presbyterian and Christian church societies of Fullerton inviting the executive committee to meet in Fullerton for the day meeting was accepted. The meeting will take the form of a supper probably at 6 o'clock and the business session afterwards.

The county Endeavor picnic was set for sometime in May, the date to be set by a committee which was appointed at the meeting. The picnic is to be held at the county park.

It was voted to invite the Epworth Leagues of the county to join the Union on certain conditions, the main one of which is that the name of the society be changed to Epworth League of Christian Endeavor.

After transacting some further business of a routine nature, the committee adjourned to meet in Fullerton in May.

AVIATOR MARTIN IS TRYING THE LAW

His Suit For Money In Orange
Goes Against Him—Goes
to El Centro Today

Aviator Glenn Martin is taking a flight at law this week. Yesterday he had a sample of Orange justice when the jury that heard the evidence in his suit to recover \$202 from J. P. Keeney of that town, rendered judgment in favor of Keeney for \$11.50. Martin claimed that Keeney owed him a balance on an auto, but the defendant came back with a counter claim for services, and the jury sided with him.

This morning the birdman departed with Attorney Forgy for El Centro, where he has instituted suit against some leading citizens of Brawley for \$1200 that had been pledged Martin for a flight at that place. The money, it is said, had been collected and deposited in some bank, but when Martin went after it, it had disappeared.

PAPE'S DIAPEPSIN REGULATES STOMACH

Time It! In Five Minutes Gas,
Sourness and Indigestion
Is Gone

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

**COAST ROAD IS
DELAYED TWO
WEEKS**

Supervisors Agree to Postpone
Formal and Final Action
For Another Period

**CLOSING SESSION IS
VERY ACTIVE ONE**

Considerable Volume of Public
Matters Given Official Con-
sideration

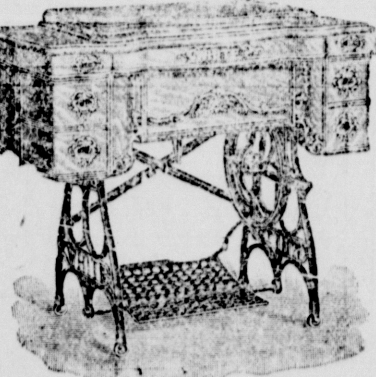

Two more weeks will elapse before the county supervisors will take formal action ordering the commencement of actual work on the new road along the coast from Bay City southward, over which there has been so much fuss for several weeks, owing to the opposition from the northern section of the county against the improvement being paid for out of the county general fund.

At the meeting of the supervisors yesterday afternoon there was a renewal of the discussion relating to various phases of the proposition, advocates for immediate action being J. A. Armitage, of Sunset Beach; Lew H. Wallace and W. A. Cornelius, of Newport Beach; and W. W. Wilson, of East Newport; while the opponents were H. G. Ames, U. V. Simpson, of Anaheim; and John Scott of La Habra. Before the discussion closed, Supervisor Leck took occasion to say that he believed that the supervisors were convinced that the work should go ahead, and that there were four out of the five members who will stand by their previous vote in favor of the improvement. This vote was four to one.

The supervisors also set May 6 as the date for hearing the petition for the organization of the Security Protection district, being a plan for protection from flood waters of the Santa Ana river. The district as proposed will embrace land from Olive to Garden Grove and provide for all that area north of the district served by the Newbert Protection district.

The supervisors ordered advertisement made for bids for furnishing two five-passenger automobiles for the use of the county highway commission. Bids will be opened at the county court house on April 2.

The petition of the Tuesday Afternoon Club of Garden Grove to install a public drinking fountain and watering trough on the south side of the Bank of Garden Grove, was granted. The board appointed C. E. Mansur, J. T. Smith and J. L. McBride as viewers to view the proposed road on the petition of Otis Jones et al., of

**BRINGING P.E. LINE
FROM RIVERSIDE TO
N. ORANGE COUNTY**

RIVERSIDE, March 19.—The county supervisors are today considering an application from the Pacific Electric Railway company for a franchise for the extension of that corporation's electric line from the Riverside city limits to Corona, for the purpose of adding another link to the proposed line to Los Angeles via Corona and Yorba, Orange county.

The city council yesterday granted the company a franchise for the extension of its local line to the city limits, from which point it is almost certain the supervisors will this afternoon grant the franchise through the county to the Orange county line. The P. E. officials say that work of construction will be begun just as soon as the franchise matter is satisfactorily settled.

**NEW NICKELS COME
TO BE CIRCULATED**

Indian Chief and Buffalo Bull
Conspicuous Features on
Latest Coin

The new nickels are in town. They bear the likeness of an Indian on their faces, with the figure of a bull buffalo embossed on the reverse side.

The new coin appears to be exactly the same size as the old, although the first issue aroused a protest from slot-machine men, on the ground that the nickels wouldn't fit the slots. Another protest came from the fact that the artist's initial was engraved on the reverse side.

The coins received here still retain the initial, an "F." The Indian head, the word "Liberty," and the date, constitute the engraving on the nickel's face. In circular form on the back is this inscription: "United States of America. E. Pluribus Unum. Five Cents." The letters are very small. The buffalo and Indian occupy virtually all the space.

36 Inch All Silk Ratine 75c

The greatest value we ever saw in silk. It's all silk, 36 inches wide, fine textured, just the right weight for dresses or summer coats. The ratine weave of this cloth is perfect.

We show this in colors of tan, pongee, Copenhagen blue, mustard, the new shell pink, and white. It won't last long; better get it now!

NEW RATINE TRIMMINGS

We are now showing a pretty line of trimmings for Ratine dresses and for linen crasches: ratine braids, fancy braids, fancy edges; the prices are reasonable for wash dresses.

Prices 12 1/2c to 40c yd.

NEW SILK GINGHAMS, 25c

One of the daintiest and prettiest of the spring wash fabrics we are showing this season is new Silk Gingham. It is a little lighter than gingham and a little heavier than voile, a very suitable material for wash dresses. We show pretty checked and striped patterns in all the best shades. It is fast color.

Price 25c Yard

PLAIN COLORED RATINE, 75c

Just the right thing for dresses; a beautiful cloth, not too rough nor too smooth, and medium weight. We show it in light, pink, blue, wisteria, and white. 38 inches wide at 75c yard.

STRIPED RATINE, 50c YD.

A very dainty, light weight, fine ratine, with the body of Alice blue and pink, with the finest, daintiest hair line stripe of white. A beautiful cloth, 27 inches wide and only 50c yard.

40-IN. NUBBED VOILE, 50c

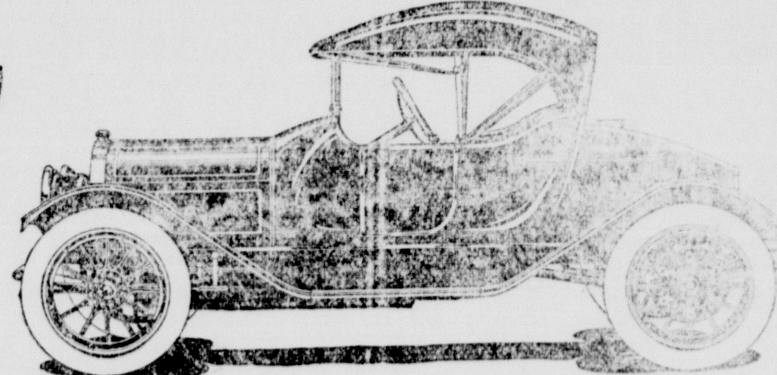

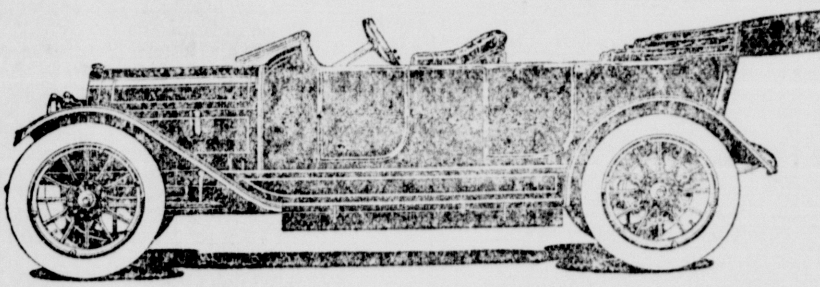

A very fine, sheer white voile, woven with nubbed effect; this is not as coarse as ratine and is very suitable for light, dainty costumes. The width, 40 inches, affords a very pretty and a very inexpensive dress.

WHITE DRESS LINENS, 60c

A new thing in white linen, a very heavy cloth woven with narrow and wide diagonals, two patterns only in this material. It is 48 inches wide and therefore economical. Price 60c yard.

APPROPRIATION NEEDED

Citrus fruit interests are endeavoring to secure an appropriation from the state for the establishment in Southern California of an agricultural school and experimental station. Senator Anderson, who represents this district, is reported to be in favor of the measure.

Among those who will appear at a joint meeting of the ways and means and finance committees is G. Harold Powell, manager of the California Fruit Growers Exchange. Powell is one of the ablest men connected with the citrus fruit industry.

An experimental station such as has been proposed would be of great value to the orange and lemon growers of this end of the state. Its chief function would be to make experiments looking to the minimizing of damage from frost. While Orange county has been exceptionally free from frost damage in comparison to other Southern California sections, any scientific information along the line of the betterment of fruit growing would be worth a great deal more money than it is likely to cost the state to gather the information.

At present there are four bills before the state legislature which interlap in their value to the establishment of the school.

Senate bill No. 370 provides for \$814,360 to be allotted to run the agricultural department of the state university. Of this amount, the bill specifies \$157,000 is to be set aside for the maintenance and equipment of schools in Southern California.

Senate bill No. 25 provides \$100,000 for the equipment and construction of a laboratory in this territory.

Senate bill No. 397 provides that \$50,000 shall be set aside for the purchase of land suitable for growing orchards and carry on agricultural enterprises under the direction of the state.

Senate bill No. 51 provides for \$25,000 for the construction of a residence and the care of the grounds purchased if senate bill No. 397 carries.

Manager Powell is optimistic as to the outlook for the four bills. He said that all of them should pass and that the amounts specified should not be cut by the committees. He believes that it is essential that the state immediately open a school for the study of the needs of the fruit growers and other agriculturalists of Southern California.

S. A. H. S. MEETS MANUAL ARTS

Debate Scheduled For Next Friday Night—Santa Ana Holds Third League Place

One of the most interesting and perhaps the last debate of the season for the local high school has been scheduled for next Friday night in the high school auditorium. At that time Santa Ana meets Manual Arts high school of Los Angeles in a debate on the question: Resolved, That the state of California should enact legislation providing for the compulsory arbitration of industrial disputes.

Santa Ana at present holds third place in the Southwestern Debating League with Santa Monica, San Diego and Manual Arts, first, second and fourth, respectively. Santa Monica and San Diego debate Friday night also.

Under the simultaneous system being used in the league, each school participating will have four speakers, two for each side of the question, the affirmatives remaining at their own school and the negatives visiting the other school, so that two debates actually take place between the contesting schools.

Santa Ana is very fortunate in having a strong team for the coming important contest. Three of her speakers are experienced debaters, while the fourth has done excellent work in the preparation of his argument. Malcolm Tedford and Lennox Covington will uphold the negative for Santa Ana at Manual Arts, while Selwyn Sharp and Marshall Greathouse will argue for the affirmative at home. Manual Arts will send down as her representatives Helen List and Fred Howitz. Paul Williams and Paul Elliott will defend her honors at Los Angeles.

Tedford is very much at home before an audience and has had a great deal of experience along the lines of public speaking. While he has not taken part in any debates this year, he was a member of the team last term and this experience, coupled with great natural ability, will make him a strong speaker. Covington was also a member of last year's team. He is a very capable and forceful speaker and will give a good account of himself.

Sharp needs no introduction as a debater. A new student this year and a new debater, he has already taken part in two debates, one with Anaheim and the other with Glendale, and in both he has shown great ability.

Greathouse, the new speaker, was the surprise of the recent try-out for this debate. With no previous experience and no marked ability along debating lines, he was not very seriously considered as a possible member of the team, but nevertheless, he put up a strong fight for first place in the try-out. Although this will be his first public appearance, he has the confidence and support of the entire school and will no doubt make a success of his first debate.

All points considered, this will be one of the best debates of the season and will prove worth while to anyone who hears it.

WOMAN'S CLUB MEETING

elegates Named to County Meet of Club Federation; Paper by Mrs. Diers

The following ladies were elected yesterday afternoon by the Woman's Club to attend the convention of the county Federation of Women's Clubs to be held at Anaheim on April 6: (President) P. A. Marks, Frank Ey, W. Young, B. Uttley, C. F. Crose. During the study period Mrs. Henry Diers read a comprehensive paper on the club and its development, which brought forth intelligent discussion on the members of the club. Cuba's story as a fertile island long oppressed by the despotic power of Spain, and its final achievement of liberty by the friendly assistance of the United States, is one of intense interest and afforded a fruitful theme for discourse.

Roll call was responded to with notations by the large number of club members present. During the afternoon the club passed a resolution of sympathy for Mr. and Mrs. Frank J. over the sad death of their little child.

The club decided to pay twenty-five cents per member to the Sarah Platt Becker memorial fund. Mrs. Decker was one of the most prominent women in the National Federation of Women's Clubs and her death during the last annual meeting was deeply mourned. The memorial fund referred to was initiated by Mrs. Decker before her death as a fund for the advancement of the interests of women and is now continued not only for that purpose but because its continuance is a memorial to the splendid woman who inaugurated it.

She Was Five Years Old
Five-year-old Miss Phyllis Hill was her happiest small maiden in town yesterday afternoon when her birthday was celebrated in the jolliest sort of fashion, her mother, Mrs. G. P. Hill, having invited all of the thirty children of Lincoln school kindergarten to join her wee daughter in a birthday party at the Spurgeon street home of the Hills.

Fragrant violets and pretty fresas were used in beautifying the house, but the dainty tints of pink and white were used in the refreshments. The birthday cake of pink and white layers gilded with pink frosting and five pink tapers, and the ice cream for the birthday feast was also of roseate hue. Heart shaped cookies were merrily greeted by the little ones.

An Easter candy egg hunt was one of the merriest of the merry diversions provided for the children. Indoor and outdoor games were played, the kindergarten teachers of Lincoln school, Misses Adeline Hill, Mene Havens and Margie Magee, assisting Mrs. Hill in the supervision of the pastimes.

Many gifts were showered on the small honoree by her kindergarten mates, the little guests apparently enjoying this part of the fun especially well.

Plans Trip to Panama
Mrs. Norman Roper is planning a delightful trip to Panama, accompanying her husband that far on his return to Peru. Mr. Roper is now in New York City where he is superintending an immense shipment of machinery which he ordered made there under his personal supervision. Mr. Roper will meet his wife and others of the party in New Orleans.

In the party will be Mr. and Mrs. A. R. Bowdrie of Plumasville, Ark., and Miss Carey Hervey of Los Angeles, the ladies being sisters of Mrs. Roper. Mrs. Roper leaves here on Saturday, March 29, and sailing will be made from New Orleans on April 1. The party will enjoy two days sight-seeing in New Orleans before starting on the voyage.

Mrs. Roper expects to be absent from Santa Ana about four weeks and is anticipating a most interesting trip to the great canal zone with its incidental experiences.

To Discuss Vital Topic
The Woman's Committee will meet with Mrs. C. H. Wilson, 1126 West street, Thursday, March 20, at 7:30 p.m. The subject for discussion will be: "What Creates and Stimulates the Desire for Finery that is Causing the Downfall of the Working Girls?"

A cordial invitation is extended to all ladies interested in social betterment. All members of the committee are requested to be present, as important business is to come before them.

Birds of State to Be Topic

It being very evident from the interest shown in Miss Mabel McFadden's splendid lecture on "The Trees of California," recently delivered before the Nature Study Section of the Eboli society, that section has prepared another entertainment of similar character to be given Friday, March 28, in the Commercial High School building. Miss Arbuthnot of the high school will give an address on "The Birds of California."

Those interested in this subject are cordially invited to be present on Friday as the meeting to be addressed by Miss Arbuthnot will be an open one.

Bridge Whist Afternoon

Mrs. Clyde Walker entertained the Bridge Whist Club of which she is a member yesterday afternoon. Brown Japanese baskets filled with plum blossoms were used in decorations, and when refreshments were served, Easter lilies and rabbits were represented in the ices. At each place was placed sprays of plumous fern and the dainty plum blossoms.

Mrs. W. F. Lutz won an embroidered guest towel as first prize for high whist score. Mrs. Flood being consoled with an Easter rabbit. The guests of the afternoon were Mesdames O. K. Forgy, Russell Scott, Fred Ross, Robert Shafer, W. P. Lutz, E. S. Morrow, G. S. Briggs, W. A. Flood, C. S. Kendall, Roscoe Whitfield, A. W. Rutan, W. P. Fuller.

Birthday Well Celebrated

Harry Baade was the honoree of a surprise birthday party given for him last Saturday evening at the Baade home, 616 North Birch street. The surprisers took refreshments with them and merry games were played. Those present were Misses Edith Cole, Vina Petersen, Lailue Fippis; Mesdames Ryan, Ake, Baade; Messrs. Geo. Platt, Murray Vandermast, J. Ryan, Jr., L. Baade, Will Arnold.

On Monday, which was really Harry's birthday, Mrs. Baade gave a turkey dinner for her son with Mr. and Mrs. J. Ryan, Miss Novcomer and Dr. J. J. Jacobs as guests. Congratulations and gifts were in evidence.

Bussinger-Paine

Owing to ill health of the brides mother and the absence of her sister, Dr. Caroline Paine, who is in Rome, Italy, the marriage of Miss Eliza H. Paine of Orange and Mr. Charles Bussinger of Hutchinson, Kas., was quietly solemnized at 10 o'clock this morning at Unity church parsonage of Santa Ana, the Rev. Francis Warty officiating.

Miss Paine, who is the youngest daughter of Mr. and Mrs. Walter N. Paine of West Chapman street, Orange, was attired in white tulle and lace, and was attended by her cousin, Miss Helen Kewish, of Painesville, Ohio, and Mrs. A. D. Bishop of Santa Ana.

The rooms were prettily decorated in peach blossoms and bride roses. After luncheon Mr. and Mrs. Bussinger left in an automobile for a summer-long honeymoon, intending to take not only the beaten tracks of travel, but also the by-way and less frequented paths, stopping wherever fancy dictates, and returning to Orange in the fall, to greet Dr. Caroline Paine on her return from Europe.

P-T. Meeting Tomorrow

The Parent-Teacher's association of Lincoln school will be held tomorrow afternoon in the Kindergarten room of Lincoln school at 3:30 o'clock. The subject for discussion will be how to teach children the value and use of money. Mrs. Webber of the Commercial High school will give a talk on the subject and the matter will be discussed in round table fashion. The savings bank idea will probably be taken under consideration. Altogether the outlook is good for a valuable meeting.

Music for the afternoon will be furnished by the pupils of the second grade. All mothers with children in Lincoln school and others interested in this subject are cordially invited to be present.

Literature Section

An enjoyable afternoon was spent by this section of the Eboli society yesterday afternoon at the home of Miss May Talbott on Ross street. One of the most animated features of the meeting was the Current Events discussion, all taking part in this resume of the world's happenings.

Papers were given on the life and works of Edward Everett Hale by Mrs. Howard Wassum, and on Charles Dudley Warner by Miss Talbott. The papers were well prepared and of much interest to the club.

ST. PATRICK'S SOCIAL

Baptist Women Entertained With Jolly Affair Where Irish Program Was Given

The St. Patrick's social given last night in the parlors of the First Baptist church by the March committee of the Calendar system, was attended with the usual success and a large crowd.

The decorations were of course of green and white, asparagus fern being used freely, while miniature Irish pigs and pipes cut from white cardboard ornamented the gallery rail. Irish flags were also in evidence and a large bowl of shamrocks adorned a table set in the foreground.

The committee in charge consisted of Mrs. David Meyer, representing the "month," as chairman; Mrs. J. H. Walker, Mrs. Lydia Baker, Mrs. J. B. Ramsey and Mrs. J. S. White as "weeks." They were assisted by many of their "days." All were dressed in white with white caps and aprons ornamented with immense leaves of the shamrock.

The following program was carried out, with Mrs. Meyer, representing Mrs. Patrick O'Sullivan, presiding:

"The Birth of St. Patrick," by Miss Bridget Flynn (Miss Camp).

Piano solo, "McGinty's First Love," Misses Katie Casey and Mary O'Sullivan (Misses Anna and Lillian Walker).

Cornet solo, "St. Patrick's Dream," Mr. Michael O'Conner (Frank Harris).

Piano solo, Nora O'Hara (Miss Grace Makosky).

Reading, "Katie's Answer," Cathlin Mavounneen (Mrs. Hester Robinson).

Vocal solo, "Killarney," Mr. Patrick Murphy (Mr. Govan).

Song, "We're in of the Green," by the "Irish Committee."

The chairman then presented \$34 for the building fund as the proceeds of the month, in the following cute little original poem:

"Dear friends and hearers, great and small,
We greet you with smiling face and
our committee one and all
Are glad to be counted in the race.

"To build the church the funds to raise
Wherein we better the Lord may praise;
So accept our dollars, thirty-four,
And see what St. Patrick has had in store.

"And now to close this little rhyme
Our thoughts turn toward our theme,
And before the close of the present year
A fine new edifice will be seen."

A merry guessing game was then played. Each guest was furnished a shamrock-shaped piece of ten varieties of stories, the lettering of which had been disarranged "by the March winds." The proper straightening out of the "scrambled words" was the game, and the wits of the guessers had to be as keen as those of the sharpest Paddy's to guess all correctly.

Refreshments consisted of home-made cookies, shaped in the similitude of the shamrock, potato salad, bread and butter sandwiches and "tay" (tea).

"The Crucifixion"

The rehearsals of "The Crucifixion" have been very satisfactory, and it is expected that the performance of this beautiful cantata at the First Baptist church next Friday evening will be especially interesting.

The last rehearsal is to take place tonight and all singers are urged to be on time.

The general public is invited to the regular performance of the cantata on next Friday evening, March 21.

Today's Recipe

Excellent mustard pickle is made of three cauliflower, broken in small pieces; one quart small cucumbers, one quart small silver skin onions, four green peppers, cut fine. Make a brine of four quarts of water and one pint of salt, soak all in this brine overnight. In the morning beat through in this same brine just enough to scald and pour into a colander to drain.

Mix two-thirds of a cup of flour with six tablespoons of mustard, one cup brown sugar, one heaping teaspoon of turmeric powder, add enough cold vinegar to make two quarts in all. Boil until thick, stirring often to prevent scorching. Add the pickles and just heat through.

ATHLETES FROM SAN DIEGO COMING

Southerners Are Confident of Winning First Honors In Santa Ana

PLANS ALL READY FOR SATURDAY NEXT

Some Exceptional Performances Are Anticipated at the Coming Meet

(By Vern Smith.) In spite of the fact that the San Diego track team has lost Waite, their crack sprinter, they are confident of winning the coming track meet to be held at Lincoln Oval, March 22.

The southerners have been in strict training all week and are in perfect condition. Dana of San Diego expects to carry away first honors in all the sprinting events, and has been running the century in 6:42 every day in practice. The Blue and White squad are counting on him to grab at least fifteen points in the sprints, while Dievendoff is hoped to break the tape first in the quarter mile run.

Anderson, the Cardinals' phenomenal high jumper, is sure to down Tracy, the San Diego man, as Anderson is clearing five feet ten in practice and Tracy's best leap is five feet eight. This event ought to be easy picking for Anderson. Adkinson will not run the mile, but in stead he is scheduled to enter both the 880 and 440 yard events. Adkinson is in a fair condition and he will give Dievendoff a race of his life in the quarter.

Capt. West of the Cardinals has a loose tendon in his left leg, and will be unable to go into training this week, but if everything turns out all right he will be sure of a first place in the high barriers and probably a first in the low sticks. Foutz has been running the 220 hurdles in fairly fast time and the chances are he will be there with the goods Saturday.

Coach Ratcliffe states that if the team had had a meet last Saturday they would have been in a much better condition for the meet with San Diego, but as it is, they are rounding out in fairly good shape. This is the final meet between the Blue and White and the Cardinals to be held this year and from all appearances it will be one of the hardest meets of the season. The "dopesters" say the relay will be the deciding event of the day, and if this is the case, Santa Ana will have a very good chance of carrying away first honors, as they have a fairly last relay team this season.

—In "Burglars at Brighton," the farce which Herman Router is getting ready to put on at the Grand Opera House, the part of Richard Diggle will be played by Clare Buchanan.

IN THE JUSTICE COURT

HOLDUP CHARGED AGAINST TWO PRISONERS

The Suspected Newport Beach Bank Robbers Arraigned on New Charge

While the sheriff's office is investigating the suspected connection of Homer A. Carlisle and Harry Blue with the Newport Beach bank robbery, the two men will be held at the county jail on the charge of being connected in the holdup at the saloon of Fred Dyckman in Anaheim on January 19 of last year.

Evidence has been unearthed which it is believed will show without question, that Blue and Carlisle were two of the three men who visited Dyckman's place and stole \$395.75 in cash and a gold watch. They were taken from the county jail this morning and arraigned before Justice Cox on this charge.

Their examination was set for April 11 at 10 o'clock, and bail was fixed at \$2000 each.

Brad Hewitt Arraigned Eradford Hewitt was arraigned before Justice Cox this morning on the charge of being implicated in the theft of a motorboat at Laguna Beach early last December. Warrants are also out on the same complaint for Paul Gibbons and John H. Bailliff. Hewitt's examination was set for March 26, and his bail fixed at \$1000.

Change of Venue A change of venue was granted by Justice Cox yesterday afternoon in the case of H. L. Enoch and C. M. Cowden, arrested recently at Brea on the charge of disturbing the peace. The complaint was filed by Jeff Maddox, Attorney at Law. The accused urged the dismissal of the complaint and upon the court's refusal to do so, asked for a change of venue.

Woman Fined \$50 Mrs. Ely of Garden Grove, charged with disorderly conduct, was yesterday afternoon fined \$50 by Justice Chaffee of the Westminster court. The Hooper woman who was arrested with Mrs. Ely is still in the county jail here, too sick for arraignment.

AT THE COURTHOUSE

TRADE IS TAKEN INTO SUPERIOR COURT

Exchange of Butcher Shop For Land Doesn't Satisfy Both Parties

A ranch and a butcher shop figured in a trade several months ago, and today they are the chief exhibits in a case that is on trial in the superior court before Judge West.

The action at law came as the aftermath of the exchange of properties, and W. D. Dunbar appears in the role of plaintiff and Annie Smith is the defendant. A quartette of attorneys also figure, three of them being associated with the plaintiff's cause, as follows: Messrs. Dennis & Lowenthal, and G. G. Griffith; while Ed Winterer is the legal adviser of the woman.

It appears from the documents in the case that Dunbar traded a butcher shop in Long Beach for some land that Mrs. Smith owned here. It was not long before the butcherman repented of the trade and the action at law is the result.

Charge Feeble-Mindedness Elberta M. Willis of Orange has filed a petition alleging that Ada Kelly, a girl resident of Orange, is feeble-minded and in need of state care, and requesting that she be committed to the state asylum for feeble-minded persons at Elridge, Sonoma county. The examination will be held before Judge West tomorrow morning at 9:30 o'clock.

Bath House Company Articles of Incorporation have been filed by the Santa Ana Bath House Company with capital stock at \$15,000, of which \$50 has been subscribed. The incorporators are C. D. Ball, Arthur H. Pease, Harry L. Hensen, Victor G. Walker and E. E. Remsburg.

For Reappraisal Public Administrator Winbigger has petitioned the superior court for a reappraisal of a certain lot owned by the estate of Jacob M. Markwalder, and Judge West has named J. G. Quirk, I. D. Mills and G. P. Hill.

Judge West has set April 4 as the date for the hearing to approve the sale of this property.

Articles of Incorporation The Orange Commercial club today filed its articles of incorporation, setting forth its purpose "to foster the spirit of good fellowship among the residents of the County of Orange." The directors are J. W. Morrison, K. E. Watson, W. G. Hagen, E. W. Balinger, G. G. Richards and A. J. Klunk.

Seek Property Partition Suit was filed today by F. C. Spencer as attorney for Juan J. de la Guerra and Rosa Yorba against Laurie, Beatrice, Ramona, Theresa and Sophia Vejar and the German-American Savings bank for the partition of certain property in Orange county consisting of 57 acres.

HEN ADOPTS FOUR LIVELY BABY KITTENS

LONG BEACH, March 19.—A chicken which assumed the duties of mothering four baby kittens is in the possession of Mrs. H. C. Cheney, who lives on Perris road, northwest of Long Beach. The kittens first saw the light of day the first of this week. They are four in number and quite pretty, as kittens go, and a Barred Rock hen owned by Mrs. Cheney seemed to fall in love with the baby felines soon after their arrival. When the mother cat left for the first time the box where the kittens were born, the hen flew into the box, spread her wings out over the little kittens and when the old cat came back, as cats will, the hen angrily pecked at Tabby and drove her away. Mrs. Cheney, with the needs of the kittens in mind, occasionally drove the hen away with a stick so that the cat could re-enter the box, but on each attempt to do this she had quite a battle with the hen. Finally, tiring of this program, Mrs. Cheney drove the hen away yesterday and then removed the

POMONA TO AID WORKING MEN

Appropriates \$50,000 for Street Work for Men Thrown Out of Jobs by Freeze

POMONA, March 19.—Coming to the assistance of the laboring men of Pomona, many of whom have been thrown out of employment as a result of the damage to the orange crop, the city council at a meeting yesterday afternoon passed a resolution authorizing City Attorney G. W. Guerin to draft an ordinance to be placed on the ballot at the municipal election, April 7, authorizing the expenditure of approximately \$50,000 for street improvements, the work to be done immediately.

It is proposed to have work done under the direct supervision of the city by labor from Pomona, thus placing back into the pockets of the citizens as much of the money as possible. By this action the city will also be assured of securing the proposed state highway to extend from Glendora through San Dimas, Lordsburg, Pomona and Ontario to Riverside.

PROPOSE TO LEAVE 2 SUPERVISORAL DISTRICTS ALONE

No changes are to be made in supervisorial districts No. 1 and No. 4 under the present plans of the advocates of redistricting, according to a letter written by A. A. Mills of Anaheim, who is one of the active spirits in favor of the proposed changes.

In a letter to William Hagen, president of the Commercial Club of Orange, Mr. Mills says that the committee that has this movement in hand, is continuing its investigations, but have come to the conclusion that the two districts indicated need not be altered.

This leaves the readjustment of the boundary lines for Districts Nos. 2, 3 and 4 yet to be determined.

TEAPOT TEMPEST OVER SCHOOL FUNDS

County Treasurer Hasn't the

AUDITOR ALREADY REPORTS RECEIPT

Harmony Being Tapped on the
Head Because of Marked
Misunderstanding

Has the sum of \$46,280 been re-
ceived from the state treasury as Or-
ange county's apportionment of the
state school funds?

"No," says County Treasurer Jop-
lin.

"Yes," says County Auditor Lester.

"I've been so notified" said Superin-
tendent of Schools Mitchell.

So it is evident that there is a de-
cided difference of opinion on the sub-
ject, and the harmonious relations
that have so long existed between the
county treasurer and the county audi-
tor, are being stretched just enough
to show a rise in official temperature.

"It strikes me that I would know
whether that money had been received
or not," said Treasurer Joplin. "If
the money is here, where is it? The
whole trouble is that the county audi-
tor makes announcement before he
knows the facts. He receives a formal
statement from the state controller
that the money has been sent, but
doesn't mean that we have as yet re-
ceived it."

"It usually requires from a week to
ten days to get the money here. The
notice that is sent out from Sacramen-
to simply indicates that this amount
of money has been allotted to Orange
county. The auditor knows that it re-
quires some days before this office
actually receives the money. The
chief difference that his announcement
of the receipt of the money, is to be
found in the fact that his books will
show that the money was received on
a date that will differ from the date
shown on the books in this office; and
his books will be wrong. Of course
this conflict of dates would seem to
indicate that this office had the money
longer than we really had it."

"To make matters worse, the school
fund is already overdrawn more than
\$4000, and with the auditor's announce-
ment we may expect the various
school boards to draw against this
money that we have not yet received.
It is annoying and not good business
method."

"All I know about the matter," said
Auditor Lester, "is that I received no-
tice from Sacramento that the money
had been sent to us and so I suppose
the money is here. I can't see why
the treasurer should get out of humor
over my statement, as I certainly re-
ceived notice of the money being
sent."

"All I know about the matter is that
I received notice of the allotment for
Orange county," said R. P. Mitchell,
superintendent of county schools. "I
know nothing further about it. It is
true that the school fund is overdrawn
at present but that is usually the case
at this season of the year."

COURTESIES FOR RURAL CREDIT PROBERS

U. S. Diplomats Asked to Se-
cure Assistance For Com-
mission In Investigation

SEMI-OFFICIAL STATUS GIVEN SYSTEM PROBERS

Co-operative Organizations of
Farmers In Europe May Be
Adopted Here

WASHINGTON, March 19.—In-

structions to the American diplomatic
officers in Europe to secure courtesies
from the foreign governments for
the American commission which is
to visit Europe this spring under the
auspices of the Southern Commercial
Congress to investigate rural credit
systems have been issued by Sec-
retary of State William Jennings Bryan.

Before leaving office Secretary
Knox gave the State Department's
approval to the rural credit investi-
gation but since that time the Amer-
ican commission has received ap-
proval by Congress and President
Wilson, which gives it a semi-official
status. In his instructions Secretary
Bryan points out that Congress has
appropriated \$25,000 for the expenses
of several commissioners, who will
be appointed by President Wilson, to
co-operate with the American com-
mission. No salaries will be paid to
these commissioners. Congress also
passed a joint resolution directing
the Secretary of State "to bespeak
for the proposed American commis-
sion the diplomatic courtesies of the
various European governments." In
carrying out these directions Sec-
retary Bryan has instructed the Amer-
ican ambassadors in Europe to se-
cure for the commission "such cour-
tesies and assistance in the line of
its endeavors as it may be possible
to obtain," and adds "it will be seen
that by this joint resolution the com-
mission under the direction of the
Southern Commercial Congress is
given semi-official status."

The act of Secretary Bryan raises
the American commission to the
standing of a semi-official body and
assures it every facility that can be
extended by the European govern-
ments for the conduct of its investi-
gations. The commission is directed
by Congress to submit to that body
a report on the subject of rural credit
systems and the question of adopting
the co-operative principle in all lines
of agricultural production and dis-
tribution.

Though the Southern Commercial
Congress began its efforts in a cam-
paign for the adoption of rural credit
systems it has received such strong
support both from the federal and
state governments and from private
sources that it has been able to en-
large the scope of its work to include
a thorough investigation of all forms
of co-operative production and dis-
tribution in the agricultural field.

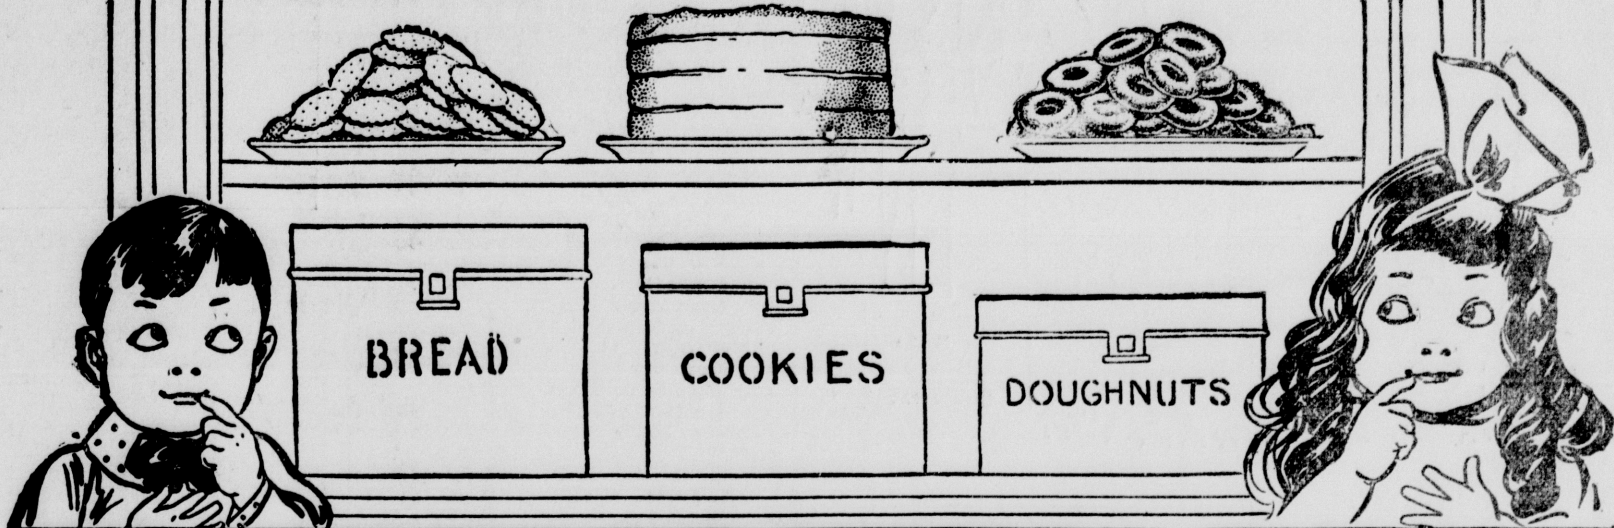

Co-operative credit is only a part of
the immense system of co-operative
organizations which has spread all
over Europe. Co-operative purchas-
ing organizations, co-operative and
municipal markets, where farmers'
produce is sold by agents at a fixed
commission, the entire balance of the
proceeds going to the farmer direct,
and co-operative associations for
packing and distributing farm prod-
ucts, will all be investigated.

The Democratic national platform,
on which President Wilson was elected,
contains a plank endorsing the
agricultural co-operative movement
and President Wilson has already
evinced a keen interest in the sub-
ject. There now exists a committee
of nine governors of states to con-
sider legislation necessary for the
organization of co-operative credit
and other associations. This com-
mittee, as well as the federal Con-
gress, will receive the report of the
national commission, and it appears
now that next fall a nation-wide
campaign will be waged in the in-
terest of the co-operative movement
among American farmers as a means
to increase agricultural production
and lower the cost of living.

Former Santa Anan Is Now Located At Phoenix, in Land Business

Wm. Besser, formerly of Santa
Ana, writes that he is now located
permanently at Phoenix, Arizona,
where he has associated himself with
the Arizona Irrigated Land Co., and
invites all his old friends of Santa
Ana and Orange county to make his
office their headquarters when in
Phoenix. Mr. Besser writes that he
has already purchased a large tract
of land himself and sees so many
former Santa Ana and Orange county
people on the streets of Phoenix that
he feels thoroughly at home.—Adv.

The Safe, Sure, Clean, DIGESTIBLE Cottolene PANTRY"

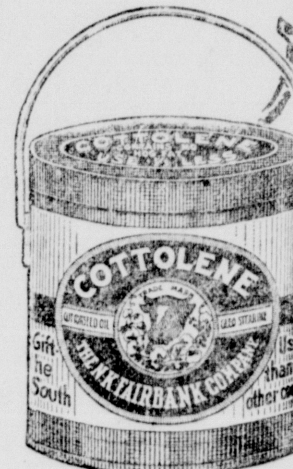

Pastry can be "pasty" or "tasty"—much depends upon the
cooking fat used. *Cottolene* is preferable to butter or lard
for shortening because it makes
pastry rich without the least sug-
gestion of greasiness. It also
makes it light, crisp and digestible.

In addition to giving better re-
sults, *Cottolene* is cheaper than
butter, more economical than lard.
Two-thirds of a pound of *Cottolene*
will go as far as a full pound of
butter or lard, and *Cottolene* is
usually as cheap as or cheaper
than lard.

Buy a pail of *Cottolene* to-
day, try this recipe, and let
"hubby" render the verdict
when he tries the food.

COTTOLENE DOUGHNUTS
Cream three tablespoons *Cottolene*, add scant cup of sugar, 3 yolks of
eggs well beaten with one white, stir in one cupful of freshly mashed
potatoes and 1/4 cup of milk. Sift 2 1/2 cups flour with 3 teaspoons bak-
ing powder, 1/2 teaspoon each of salt and ground mace, also a little
nutmeg, and add to first mixture, working in additional flour as nec-
essary to handle lightly. Roll and cut all doughnuts before frying.
Fry in hot *Cottolene* 3 inches deep in kettle, testing the temperature
with piece of bread.

ANOTHER EGG JUST OUT FOR FIRST HONORS

Eggs are certainly going up
in Santa Ana.
Prices may be no stiffer, but
certainly the size and weight
of hen fruit never showed such
advance as has been made in
the last three days.
Monday George Opp reported
an egg laid by one of his
Barred Plymouth Rock hens
that weighed 3 1/2 ounces and
measured 6 by 8 inches.
Tuesday J. N. Osborn came
to market and showed an egg
that had been laid by a Barred
Plymouth Rock hen that he
owns, which weighed 3 3/4 ounces
and measured 6 1/2 by 8 inches.
Wednesday in comes W. L.
Bowland with an egg that
weighs an even 4 ounces and
measures 6 3/4 by 8 1/2 inches.
Hats off to Mr. Bowland's
Biddy!
Up to the hour of going to
press she's the champion egg
layer in this neck of the woods.
All these eggs are now on
exhibit at the Chamber of
Commerce rooms.

EL MODENA NEWS AND REPORTS OF GROWING BUSINESS

EL MODENA, March 19.—"Alladin's Lamp" has been shining on property around El Modena. Why shouldn't he come to a protected and frostless belt as well as other gold seekers? Recently his lamp was carried into Mr. Baker's orchard and it sold to Mr. Clayton of Santa Ana. Mr. Clayton, who through study had become acquainted with the lamp's magical powers, quickly saw the benefit of its light and so invested at more than \$2000 per acre.

Mr. Waffle of Santa Ana, is taking out the eucalyptus and other shade trees to prepare for citrus trees on the ranch recently purchased from Mr. Severance.

El Modena's first annual and circus show has come and gone. The street parade passed through Alameda and Chapman streets and was a very attractive and spectacular event. The elephant had a "leading part" in the parade and furnished much of the "push" for the show.

The school is taking a vacation of one week.

There is a force of men and teams making the excavation for the basement of the new school house. The work is progressing rapidly.

Mr. Edwards, the contractor for the new building, has moved into Mr. Schultz's property on North Alameda street.

The cement foundation for the new parsonage is in.

Mr. Isaac has moved a house on the lot recently purchased from Mr. Crist.

S. R. Summers is very ill with a stroke of paralysis. He was stricken suddenly on Sunday morning while at his son's home in Brea. It is not thought he will be able to move to his home for some time.

R. Mapson has been suffering for several days with an attack of appendicitis.

Harry Helwig and Mr. King are back from a trip to Salt Lake City. They have taken claims in the southwest part of Utah and will leave again in a few days to begin the necessary residence on the land. They report it a fine country with excellent prospects for the future.

The county surveyor was doing work last week locating corners for Mr. Mayers, Mr. Beymer, the El Modena school, and others.

Fred Kelly was home Sunday a short time. He is able to demonstrate his superiority as an athlete in every contest. He goes back to the U. S. C. to continue his educational work.

WHITE SLAVERY FOLLOWS THE LOW WAGES FOR WOMEN

PORTLAND, Ore., March 18.—Commander Evangelist Booth of the Salvation Army does not believe a girl can live respectably on less than \$9 or \$10 a week. She voices her opinion in no uncertain terms. She said: "I think—in fact I know—that in New York City where I make my headquarters, a working girl cannot live—barely live, mind you—without being harassed to death, without being subjected to the worst temptations, on less than \$9 or \$10 a week. It cannot be done. That's in New York, of course, but I don't believe a girl can live any cheaper in other cities."

Commander Booth answered with scorn the statement of wealthy Chicago manufacturers that a girl's wages mattered little in her decision regarding morals.

"Oh, it makes all the difference in the world," cried Miss Booth. "I know, personally, from the results of investigation carried on by the Salvation Army, that hundreds of girls are advised to 'go wrong' by people who employ them. A girl will be told that she cannot live on the wages she will receive, and that she had better get a 'friend' like the other girls. No secret is made of it. And yet they say it makes no difference what wages are paid."

"Perhaps not many girls go wrong for sheer want of bread. It isn't the facing of present starvation that drives them to it; it's the continual pressure, the constant lack of money; the want of a dollar or two for a hat; the continual fight against impossible odds. It's just those things that drive a girl down. It's just those small sums she needs that drive her to do wrong things—and it's just those little seemingly necessary sums that she can get by yielding to temptation."

Wanted

A practical rancher to join our Santa Ana Yucapita orchards company No. 2 and care for the orchards. Steady employment. Come promptly for the work is ready.

The big Yucapita improvements on the "South Bench" are nearing completion. 62 miles of water mains, 3 distributing reservoirs, one 60 million gallon storage reservoir, 2 water tunnels two thousand feet long, seven big electric pumping plants, thirty-five hundred acres set to trees, schools, homes, churches, stores, hotel, newspaper, growers' club house, good roads and other improvements too numerous to mention, all within 20 months, is the remarkable record for Yucapita valley. And such soil, climate, products, low prices and easy terms can be found nowhere else in Southern California. We make one day trips to Yucapita every week. Go along and see for yourself.

LOS ANGELES PRODUCE MARKET

Eggs declined 1½ cents, butter 1 cent and cheese was easier yesterday. Receipts of butter the last two days have been much larger than usual, and if they continue so, the awaited permanent decline may occur. More rain will be an important factor in causing a rapid increase in the supply. Eggs are down to 20 cents buying price, and with a continuance of good receipts prices are likely to fall off to 18 cents again. Lighter arrivals yesterday may cause the market to show some firmness.

A small quantity of strawberries came in and sold around 20 cents a box. This is about the first shipment of any importance since the frost. The best packed lemons sell at \$5 to \$6.25 a box, and are firm. Oranges remain about the same—\$2.50 to \$3 per box for guaranteed navels, and \$2 to \$2.50 for tangerines. The better class of grapefruit sells at about \$4 to \$5 a box. Apple receipts were heavy again. The market remains easy as a general thing, although firmness in the better varieties is reported by some dealers.

Receipts of staple vegetables were light yesterday. The market remains about the same. Some Brussels sprouts were on display at 7 to 9 cents a pound. Asparagus is selling at 10 to 20 cents a pound, the green commanding the higher prices. Some extra fancy strawberry rhubarb was quoted at \$2.25 a box. Choice and fancy stock brought around \$1.75 to \$2.00 a box. Cucumbers are in fair supply at \$1.25 to \$2.25 a box. Potatoes raised locally in hot-houses, from Imperial Valley sold as low as 12½ cents a pound. Only a few came in. A few wax beans were quoted at about 25 cents a pound. Tomatoes were practically out of the market. The last crates have brought about \$1.65 to \$2.25 each.

Reported receipts were: Eggs, 510 cases; butter, 58,361 pounds; cheese, 131 pounds; potatoes, 367 sacks; sweet potatoes, six sacks; apples, 5558 boxes.

Eggs—Ranch, candied, 23; fresh, case count, buying price, 20; Potatoes—Santa Rosa extras, 20¢/21; northern case count, 16¢/19.

Butter—Buying prices: Creamery extras, 37 per lb.; creamery firsts, 31¢/32½. Prices to the trade are about 2 cents above these quotations.

BUSINESS SESSION ORANGE TRUSTEES

ORANGE, March 19.—Breaking all records for abbreviated sessions where business was transacted, the city trustees last evening rushed through their work with the alacrity of the small boy who forgot "to cross his t's and dot his i's."

A resolution ordering paving on West Chapman avenue from the railroad to the city was adopted, bids to be opened March 21st.

A resolution of commendation, passed by the W. C. T. U. was read and filed.

A building ordinance extending the fire limits west of Chapman to Lemon street was introduced and passed to second reading.

A conference with property owners on Center street concerning the disposal of storm water was held, and it was decided to take no action.

The police committee was instructed to call for bids on new plumbing plans for the jail. Then the trustees went home.

AMUSEMENTS

Dr. Clark's Coming
Ernest C. Phillips, instructor of boys' physical training in the Santa Ana high school, is in receipt of the following interesting letter relating to Dr. S. H. Clark who is to speak in the Grand Opera House here on Wednesday evening, March 26, under the auspices of the teachers of the city schools. The letter was written by Mr. Phillips' sister, who is attending the Cumstock School of Expression in Los Angeles:

“Such an inspiration as came our way this morning! I was sitting at the long table in the hall waiting for assembly period when a big, broad-shouldered man came through the front door. As he walked down the hall, making a swift, comprehensive survey of everything about him, I recognized Dr. Clark, from the little picture I had seen on one of his folders. Everywhere the electric current of his personality seemed stirring at once.

He very generously read one of Lady Gregory's Irish plays, “The Rising of the Moon.” I have never heard anything like it. Dr. Clark fairly made himself transparent, the rinfestation was wonderful and the whole play was wrought so simply and subtly that we did not stop to analyze his mastery of technique any more than we would question where Michael Angelo bought his brushes or how he mixed the colors on his palette. Personality, voice, gesture—all were lost in the picture he painted, a glimpse into the innate poetry of the Irish soul—the true spirit of Granuaile.

Don't let Santa Ana miss the opportunity. It would be of the greatest help to you in your expression classes as a clinching demonstration of the work you are daily forcing home to the students.

The Los Angeles club women have received him most heartily by a prompt response in ticket sales for the readings he is giving at Cumstock Hall. I am sure the Santa Ana Ebell will be interested also.

Playing farce in a way that will really make people laugh is a serious business. It requires hard, patient effort. The scenes must be gone over and over until it is certain that not a chance for getting a laugh has been missed. “Burglars at Brighton,” when finally presented, will offer no chance for criticism.

It isn't often that plays come true. One often wants it. This is especially true when Sonia, the merry, merry

SPECTACULAR SCENES IN THE FAMOUS “MISSION PLAY”

“The First Baptism in California, First Act, Mission Play, San Gabriel, Cal.”

“It's truly Be-nard red,” said a distinguished artist, on seeing the wonderful light effect upon the costumes of the soldiers and Indians in the ensemble of the fiesta scene in the second act of The Mission Play, San Gabriel.

Be-nard red is famous throughout Europe, and especially in Paris where the fashionable modiste has made it extremely popular as the coloring for the latest fabrics. Its first recognition, however, came through a channel not commercial.

Albert Be-nard, a painter to the French government, went to India about two years ago where he made seventy-five sketches in that land of brilliant colors. There he caught with his inspired brush a warm red, strong, brilliant and luminous. The first exhibition in Paris of his paintings on India set the world of fine arts afire with talk of the brilliant, warm red coloring, and with that wonderful facility for naming new things for which the French are famed, the new red was immediately named, Be-nard red.

This mechanical color effect in the fiesta scene of The Mission Play which has resulted in producing the

widow, advances penitently into the scene at Maxim's in “The Merry Widow” in search of Prince Danilo. At no other moment are her charms so enhanced as this. Sweet, lovely, a royal woman, she enters upon the cache of Paris' busiest Bohemia. A place where a Dickens would never sleep and where Thackeray would never go to bed. And there she regains her prince. Dreams, say you.

Listen. The Morosin of the play is Montenegro. The prince Danilo of the story is the Crown Prince Danilo of Montenegro who fought at the head of an army with the Turks. The play has come true. It is not hard now to recall the violent greeting which the Montenegrin press gave the famous opera when it was first produced in Vienna. The parallel was too obvious.

So at the Grand Opera House Tuesday, March 25, in Henry W. Savage's production of “The Merry Widow,” Charles Meakins will be the Prince Danilo of Montenegro and Mabel Wilber will be the merry, merry widow whose fortune saved the little kingdom from bankruptcy. Miss Wilber is known as the sweetest Sonia of them all. There were many tried in the part by Mr. Savage. All were of the black-haired and beady-eyed Hungarian type. But when the blonde, Miss Wilber, with her apparent youth, her winsomeness, and excellent voice and acting undertook the part, it was evident that here was the perfect Sonia, indeed, one worthy of the love of a crown prince.

Miss Wilber has been in the part ever since. Last season she rested as the great opera was not produced. She spent her vacation from the stage in Europe, studying a little, and enjoying the pleasures of the Parisian scenes of the play at times. She also replenished her wardrobe with a multitude of pretty things and is again ready for the part.

Be-nard red was attained through the joint efforts of Mr. Benjamin Horning, the dramatic director, and Mr. Harry R. Haskin, the assistant stage-manager. Mr. Haskin selected the costumes with the proper shade of red for the foundation and Mr. Horning directed the lighting, the two producing the Be-nard red.

Local artists not acquainted with the Be-nard red should see it visualized upon the stage of the Mission Playhouse at San Gabriel. The other lighting effects should also interest them. The distinguished English actress, Lily Langtry, said that the ocean-wave effect seen through the ruined Mission arches in the third act was the most realistic she had ever seen.

A quaint fan from Seville, Spain, was presented to Miss Lucetia del Valle, the leading woman of The Mission Play, at a matinee recently during the intermission between the second and third acts. The donor was Mrs. J. J. Tobin, wife of Col. Tobin, commissioner of immigration, and who is of the Estudillo family of Alameda county.

The fan has been in the Estudillo family for seventy years and came to them from relatives in Seville, Spain. The design in colors depicts the fash-

ions prevalent in the early forties at Seville with the shawl and fan invariably articles of the toilet of the Spanish women.

A comparison of the manner in which the Sevillians draped the shawl and the way Miss del Valle drapes the beautiful Oriental shawl in the third act of The Mission Play reveals the fact that it is identical with the representations upon the fan.

Is this merely a curious coincidence or is this art in draping the shawl an inherited gift from Miss del Valle's paternal ancestors?

Miss del Valle will wear this fan in her role of the Senora Josefa Yorba, a Spanish-California lady who laments the decay of the Mission establishments in California.

Two alter boys—twins, in fact—who serve at the mass in the old San Gabriel Mission every Sunday, play the same parts upon the stage that they do in real life. They are Manuel and Jose Ramirez. By permission of the father-superior of the San Gabriel Mission the boys take the part of acolytes in The Mission Play, and lead the procession to mass which is the opening scene in the third act. Mr. Horning, dramatic director, says they are faithful little workers and rarely need to be corrected.
